Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process improvement opportunities at each stage.

Phase of Journey	• Enter a story idea. • Choose a theme. • Start generating. Stage 1	• Review the story. • Check characters. • View comic panels. Stage 2	• Edit dialogue. • Reorder panels. • Export the comic. Stage 3
Actions <i>What does the customer do?</i>	• Prompt box • Theme selector • Generate button • "I have an idea to explore."	• Story preview • Character controls • Panel preview • "The story should make sense."	• Comic editor • Dialogue controls • Export option • "I can improve this."
Touchpoint <i>What part of the service do they interact with?</i>	• "I want a suitable style." • "I hope the result is useful."	• "Characters should stay consistent." • "I want control over the panels."	• "The comic looks ready." • "I can share my creation."
Customer Thought <i>What is the customer thinking?</i>	• Curious • Excited • Hopeful	• Engaged • Creative • Focused	• Satisfied • Confident • Proud
Customer Feeling <i>What is the customer feeling?</i>			

Process Ownership <i>Who is in the lead on this?</i>	Product / UX team	AI / content team	Product / export team
Opportunities <i>How can we improve this stage?</i>	• Simplify prompt entry. • Show prompt examples. • Add clear onboarding.	• Improve character consistency. • Add quick regeneration. • Make editing easier.	• Provide clean exports. • Save drafts automatically. • Make sharing simple.
